Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Thursday 04 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy with outbreaks of rain.

Today:
A cloudy day with outbreaks of rain, heavy at times, especially over Antrim and Down. Best of any drier weather will be across Fermanagh and Armagh. Strong winds along the North Coast easing. Maximum temperature 6 deg C (43 deg F).

Tonight:
There will be further showers or longer spells of rain. These will be heavy at times, especially in the east. Minimum temperature 2 deg C (36 deg F).

Friday:
Another cloudy day with further showers or longer spells of rain. Turning colder through the evening with freshening easterly winds. Maximum temperature 5 deg C (41 deg F).

Outlook for Saturday to Monday:
A mixture of bright spells and a few showers, these turning wintry from Sunday. Feeling cold with brisk easterly winds.
